CHILD FRIENDLY GUIDE FOR PRIMARY SCHOOL
AGED CHILDREN TO UNDERSTAND WHAT AN
EHCP IS.

Meet our Friends who will learn with you about an EHCP

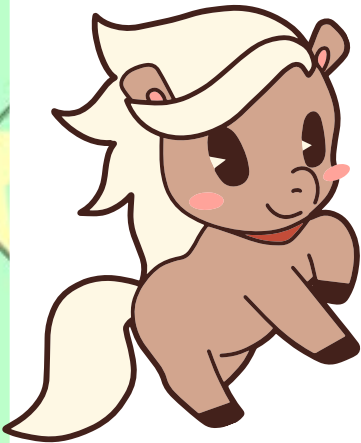

Callie the Cow

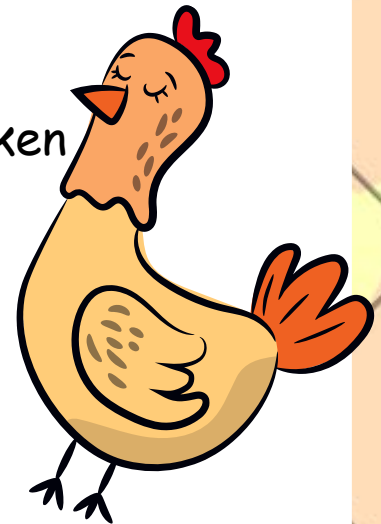

Peter the Pig

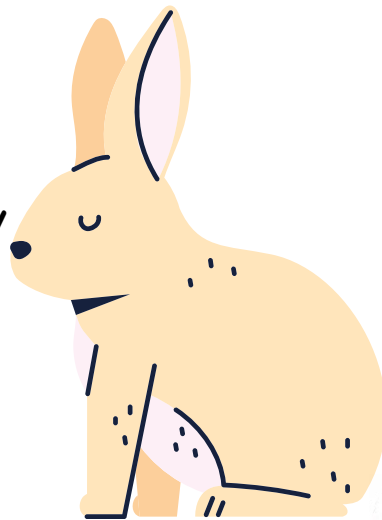

Penny the Pony

Colin the Chicken

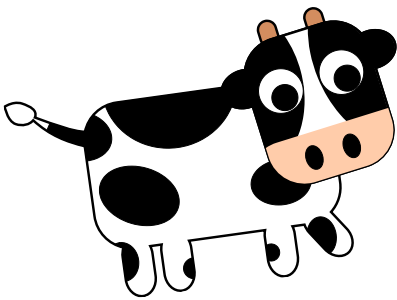

Bella the Bunny

What is it?

EHCP stands
for:

E = Educational

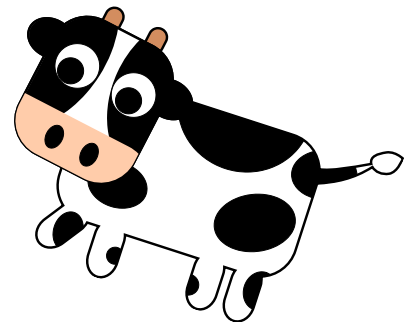

H = Health

C = Care

P = Plan

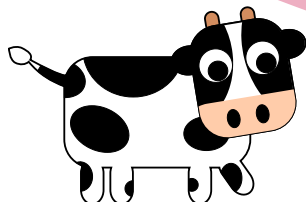

Help! I am still
confused

*That's okay to be
confused, we will
help you Callie!*

A EHCP is a plan to give you extra help
and support you in school.

That sounds great!
I think Peter
might have more
questions...

Why would you need a plan?

We all learn differently!

and that is okay, if we were all the same it would be pretty boring!

The plan is used to help you in school, whether you need extra support in Reading or help with friendships - The plan will guide teachers around you and know exactly what you need!

I get distracted very easily and need a teacher to tell me what to do. Would the plan help me?

Yes Peter! The EHCP will say what might distract you so teachers know and can help you stay on task!

How would I get a EHCP?

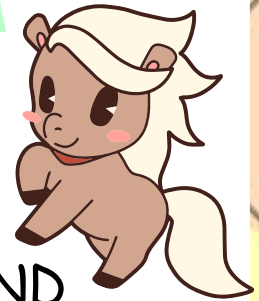

Not everybody has one, only if you need one!

Your Mum, Dad or Carer and school would have a talk about what support you need in class.

Then your local council would get some information from school, parents and anyone we need in your life to see if you do need one!

My local council is Knowsley!

If you do, a plan will be made by the SEND team and put in place in school and meet every year to make sure you are getting all the support you need!

Who are the SEND Team?

We are!

Carer

Can I get involved in
my EHCP?

YES!

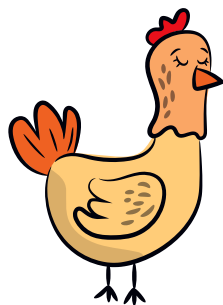

In the plan there is a part called "All about me"
This tells us what you like, dislike, favourite
people, what helps and what does not help!

Your Parent or Carer will also fill out about you
too and you can always ask for help when we
want to ask you about this part.

You can also come to the meetings once a year
and have your say.

Sounds good
to me!

Me and My Friends
understand more
what an EHCP is now.
We hope you do too!

You can always talk to a teacher, parent/carer or someone from the SEND team about your EHCP.

**Just remember it is there to
help you!**
